Hafa Adai – we’re very pleased to introduce TakeCare’s web-based Invoicing, Premium Payment site. This innovative approach replaces the need for mailing paper invoices and, in turn, provides our customers a more convenient way to adjust their invoices and make payments.

Through a secure website, designated users will be able to 1) terminate coverages which will adjust the required monthly premium, 2) submit requests to enroll individuals or make other enrollment changes, and 3) make an online partial or full payment (credit card or ACH), or 4) continue to make offline payments via wire-transfer or other means. Attached is a more descriptive flyer.

So that we can set this up for your group, we will need contact information (name, phone, email address):

Individual responsible for making enrollment changes (adds, drops, other changes):	Name: _____ Phone: _____ E-mail: _____
Individual responsible for making the premium payment:	Name: _____ Phone: _____ E-mail: _____
Other: _____	Name: _____ Phone: _____ E-mail: _____

It could be that these responsibilities are held by one individual. If that is the case please list their contact information twice. Further instruction will be sent to these individual(s).

Once completed, please return this form to Membership Accounting Services via email at [mas@takecareaisa.com](mailto:mas@takecareaisa.com), or fax (671) 647-3544.

If you have any questions, please contact your TakeCare Account Executive.

Many thanks!
