M Medicare Healthcare Provider*

PARTICIPATING PROVIDERS

The true measure of any health care organization is the quality of the care you receive. And at the heart of this is your relationship with your participating provider. Your participating provider is essential in providing your day to day health care needs as well as providing the avenue for health care alternatives such as specialty care. That's why, at TakeCare, you have the freedom to make the most important health care decision of all-the choice of your participating provider. This provider directory serves as a helpful tool to select a participating provider.

HOW TO SELECT A PARTICIPATING PROVIDER

Choose a Participating Provider (Medical Group or Individual Physician) from this directory. You and your enrolled dependents may choose a different Participating Provider. You may switch Participating Providers as often as needed by simply calling **TakeCare Customer Service at (671) 647-3526 or toll free at 1-(877)-484-2411 and (680) 488-4715 in Palau.** Your new selection will be effective immediately. Services received through providers not listed in this Provider Directory may be covered at a lesser coverage level. Please refer to your Schedule of Benefits for specific Out-of-Network Benefits.

HELPFUL INFORMATION

Who is a Participating Provider?

A Participating Provider is any individual practice association, individual physician, pharmacy, hospital or group of licensed providers who have entered in to a written agreement with TakeCare to provide medical or dental services to you and your enrolled dependents.

What is a Primary Care Provider and a Specialty Care Provider and how many of each do you have in your network of providers?

A Primary Care Provider is responsible for providing or authorizing your medical care services. A Primary Care Provider may be physicians of Internal Medicine, Pediatrics, Family Practice or General Practice. A Specialty Care Provider is a duly licensed physician, osteopath, psychologist or other practitioner that your Primary Care Provider may refer you to. TakeCare has the largest on-island contracted provider network with over 100 Primary Care and Specialty Care Providers.

When am I able to access a Specialty Care Provider?

When you or your Primary Care Provider feel you need more specialized treatment, you may request a referral to seek a specialist for an office consultation. However, before any treatment begins, you may need to have prior authorization from TakeCare's Medical Management Department. Once the request is reviewed and approved, treatment can commence.

WHO TO CALL FOR HELP

If you have any questions, please feel free to call the Take Care Customer Service Department, Monday-Friday, 8am-5pm in Guam (671) 647-3526 or 24/7, toll free 1-(877) 484-2411 or Palau (680) 488-4715.

Medicare Healthcare Provider*

*List of Providers, in the TakeCare Network, accepting Medicare. A Medicare provider is a participating/contracted provider who accepts Medicare fees/rates as a basis of payment for their services. This provider only bills you for any deductible and copayment/coinsurance amounts under your Medicare coverage. TakeCare Network Providers, identified herein as Providers who accept Medicare, are subject to change depending on whether the provider continues to accept Medicare covered members.

Preferred Provider★

★Is a participating or directly contracted provider that has entered into a written agreement with TakeCare to provide care or treatment at preferential or better rates compared to other contracted or participating providers and have demonstrated better outcomes based on standard set by the National Committee for Quality Assurance ("NCQA"). The participating providers which are identified herein as preferred providers are subject to change. Please check with TakeCare to confirm the preferential status of contracted/participating providers.
