Hafa Adai Federal Employees and Annuitants!

Welcome to the Open Season enrollment period for the 2022 calendar year!

This year, the annual FEHB Open Season will run from **November 8 - December 13, 2021**.

For those of you not currently enrolled, this will be your opportunity to join the FEHB program for 2022. For those of you already enrolled, this will be your opportunity to change plans or plan options or types of coverage, or choose TakeCare as your health insurance carrier in 2022.

To enroll for the first time, or if you're wanting to make a change to another carrier, or change your current TakeCare enrollment, you will need to take action using your agency's benefit enrollment system or complete an enrollment form (SF2809). If you don't wish to make any changes to your TakeCare enrollment, you don't need to do anything; your enrollment with TakeCare will automatically renew on the effective date in 2022.

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a Federal law gives you more choices about your prescription drug coverage.

Please see the Notice on the front inside page of the enclosed Federal brochure for more details.

Open Season Activities

This year, because of continuing COVID-19 concerns, we will be hosting virtual online briefings, chat sessions, walk-in hours at our customer service office, scheduled health fairs, and making available lots of information on our web site's special Open Season information page and social media channels. We encourage you to visit the web site page frequently to learn more about the 2022 benefit offering and be on the lookout for the newspaper ads and other announcements concerning dates and times of various open season activities hosted by TakeCare.

To access electronic versions of our materials or enroll for our non-FEHB offerings, go to TakeCare's 2021 FEHB Open Season page at www.takecareasia.com/openseason21 or scan the QR code below.

Notice of Summary of Benefits and Coverage (SBC):

Availability of Summary Health Information

The Federal Employees Health Benefits (FEHB) Program offers numerous health benefits plans and coverage options. Choosing a health plan and coverage option is an important decision. To help you make an informed choice, each FEHB plan makes available a Summary of Benefits and Coverage (SBC) about each of its health coverage options, online and in paper. The SBC summarizes important information in a standard format to help you compare plans and options.

TakeCare's SBCs are available on the internet at www.takecareasia.com/openseason21. Paper copies are also available, free of charge, by calling TakeCare's 24/7 Toll Free Customer Service Call Center Number at (877) 484-2411 (accessible anywhere within the 50 U.S. States, Guam, Saipan, Puerto Rico and the U.S. Virgin Islands).

To find out more information about plans available under the FEHB Program, including SBCs for other FEHB plans, please visit www.opm.gov/insure.

2022 Benefit Changes to TakeCare's High, Standard, and HDHP Options

- **Maternity Care (In-network)** - To increase access and help mitigate complications of pregnancy and delivery, TakeCare offers prenatal and post-partum care at no member cost share when provided by in-network providers including the FHP Health Center, preferred in-network and other in-network providers. There are no changes to the member cost share for outpatient and inpatient facilities. *See pages 34 and 95 of our federal brochure.*
- **Medical Foods** - In alignment with OPM initiatives, TakeCare is adding coverage of medical foods used to treat physician-diagnosed Inborn Errors of Metabolism (IEM). This benefit provides limited coverage of medical foods, including for pregnant women with Phenylketonuria (PKU) who do not receive an appropriate diet during their pregnancy and may have children unaffected by PKU but who, nevertheless, have birth defects related to the metabolically abnormal uterine environment. *See pages 36 and 96 of our federal brochure.*
- **Emergency Care (inside and outside of the service area)** - TakeCare is increasing the member cost share for emergency care services, inside and outside the service area. The member's cost share will be waived if the member is admitted to the hospital. *See pages 65 and 118 of our federal brochure.*

When using an In-network facility for emergency services, any covered services provided by a previously unidentified Out-of-network provider are covered based on eligible billed charges. In these instances, the member will be responsible only for the stated In-network copayment with no further out of pocket expense for covered services.

When using an Out-of-network facility for emergency services, those services are covered based on eligible billed charges. The member will be responsible only for the stated Out-of-network copayment with no further out of pocket expense for covered services.

- **Orthopedic and Prosthetic Devices (Biventricular Pacemakers)** - To ensure the appropriate standard of care is available to FEHB members and to minimize complications of cardiac surgery, TakeCare adds biventricular pacemakers to its list of covered devices. Preauthorization is required. *See pages 43 and 100 of our federal brochure.*
- **Massage Therapy (In-network)** - To align with its community package, TakeCare has changed the member cost share for the in-network massage therapy benefit. *See pages 46 and 103.*

2022 Benefit Clarifications

- **Pacemaker and related services** - Each \$500 Medical Travel Benefit claim payment related to Pacemaker and related services accumulates towards the Pacemaker Annual Limit of \$50K. *See pages 43 and 100 of our federal brochure.*

PARTICIPATING PROVIDERS

The true measure of any health care organization is the quality of the care you receive. And at the heart of this is your relationship with your participating provider. Your participating provider is essential in providing your day to day health care needs as well as providing the avenue for health care alternatives such as specialty care. That's why, at TakeCare, you have the freedom to make the most important health care decision of all-the choice of your participating provider. This provider directory serves as a helpful tool to select a participating provider.

HOW TO SELECT A PARTICIPATING PROVIDER

Choose a Participating Provider (Medical Group or Individual Physician) from this directory. You and your enrolled dependents may choose a different Participating Provider. You may switch Participating Providers as often as needed by simply calling **TakeCare Customer Service** at (671) 647-3526 or toll free at 1-(877)-484-2411 and (680) 488-4715 in Palau. Your new selection will be effective immediately. Services received through providers not listed in this Provider Directory may be covered at a lesser coverage level. Please refer to your Schedule of Benefits for specific Out-of-Network Benefits.

HELPFUL INFORMATION

Who is a Participating Provider?

A Participating Provider is any individual practice association, individual physician, pharmacy, hospital or group of licensed providers who have entered in to a written agreement with TakeCare to provide medical or dental services to you and your enrolled dependents.

What is a Primary Care Provider and a Specialty Care Provider and how many of each do you have in your network of providers?

A Primary Care Provider is responsible for providing or authorizing your medical care services. A Specialty Care Provider is a duly licensed physician, osteopath, psychologist or other practitioner that your Primary Care Provider may refer you to. TakeCare has the largest on-island contracted provider network with over 100 Primary Care and Specialty Care Providers.

When am I able to access a Specialty Care Provider?

When you or your Primary Care Provider feel you need more specialized treatment, you may request a referral to seek a specialist for an office consultation. However, before any treatment begins, you may need to have prior authorization from TakeCare's Medical Management Department. Once the request is reviewed and approved, treatment can commence.
