

Travel Advisory for TakeCare Members:

The Guam Department of Health and Social Services is requiring ALL travelers coming from the Philippines and Hawaii to secure COVID-19 testing prior to traveling back to Guam. Only travelers who present valid COVID-19 tests results for tests administered within 72 hours PRIOR to arrival on Guam will be allowed entry. ALL travelers arriving without these credentials will be subject to quarantine at a DPHSS approved site.

We recommend that any medical appointments to the Philippines, Hawaii or any place outside of Guam be delayed until the situation with COVID-19 has settled.

If you have a need for urgent off-island medical care please contact our team to discuss provider alternatives.
